Photographs. As a condition of enrollment, students and/or parents of minor students, consent to the following usage rights, for purposes which may include, but are not limited to: display, educational assessment, accreditation, archiving, and publicity/promotions for the college. Any individual, parent, or guardian, must inform KCAD Continuing Studies in writing to opt out of this consent. The college reserves the right to edit materials as needed for best use in context without specific written permission.

1. Use of any works produced by students while attending Kendall College of Art and Design of Ferris State University [KCAD].
2. Use of photographs, video, audio, or other recordings of any artworks, designs, or other coursework produced while a student at KCAD.
3. Use of photographic, video, audio, written or other recordings/documentation in college or KCAD sponsored/affiliated classes or activities, on or off campus while a student at KCAD.

Usage may be in any medium. Materials may be used without further notification, compensation, or credit, though whenever possible, credit will be included for students enrolled in a KCAD degree program. Materials produced by or for KCAD are the sole property of KCAD.

All other copy and reproduction rights to original artwork, designs or coursework remain the sole property of the student.

Unclaimed Artwork. All artwork produced in Summer 2019 must be claimed on or before August 31, 2019. The college is not responsible for any work left after that date.

Fee for Early Arrival or Late Pick Up. A fee of \$30 per half hour will be charged for any child under the age of 18 who is present without their parent or guardian in the building more than 15 minutes prior to or after the end of class.

Health Form and Waiver. Students are required to turn in a completed Health Form and Waiver prior to the start of class. The form also includes a photo/publicity waiver. To opt out of the photo/publicity waiver, parents or guardians of youth students must inform KCAD Continuing Studies in writing. The form can be mailed, emailed, or dropped off at KCAD on the first day of class/camp.

Supplies. Supplies for youth classes are included in the course fee, unless otherwise noted in the catalog or on the website. Class outlines and supply lists can be found at: kcad.edu/continuing-studies/class-outlines

Drop Off and Pick Up of Youth. All youth must be dropped off at the 17 Pearl St Woodbridge N. Ferris Building, and accompanied into the building by an adult. All youth will be accompanied by an instructor to their classes. When arriving late, parents may accompany their students to class. Parents are required to identify themselves to the instructor or a staff member on the first day of class and to sign out all youth ages 12 and younger when they return to pick them up. Prior arrangements need to be made with our staff if an adult other than the parent or guardian is picking up a child. An adult staff member will supervise the lobby area for fifteen minutes prior to the beginning and after the end of all classes. We encourage parents to arrive early to pick their child up directly from the classroom. At the end of class, instructors of youth ages 12 and younger will escort remaining students to the lobby where our staff will supervise students until parents arrive. You must sign out your child, ages 12 and under, with the instructor or staff member.

Items Left Behind. Please do not bring valuables to class. KCAD cannot be responsible for personal items during class times, or left behind at the end of classes and camps.
